The Team Selection Process

Players will be evaluated over a minimum of two practice sessions for skating, passing, shooting and game sense. The evaluators will be 3-5 volunteers with no children playing at the level they are assessing. Injured or absent players will be assigned to a team after two assessments. Team numbers will be balanced as evenly as possible unless assessed skill level dictates otherwise. **All teams will be formed based on Lower Mainland Ringette League/British Columbia Ringette Association rules.**

Practices, Games and Family Responsibilities

There is generally one practice per week and one or two games each weekend. Most games are played in the Lower Mainland area but some may be on Vancouver Island. Your child will have to travel to these places throughout the season. A team may choose to participate in a tournament that will involve two to five games over a few days, and may involve out of town travel.

It is the responsibility of all parents and/or guardians to participate fully in team and association support duties. Families that do not participate in duties may be subject to a monetary fee payable to the association. The amount of this fee and the number of support hours for the tournament will be determined by the Executive and Tournament Committee each season.

Each family has the option to pay an additional \$50 to waive association fundraising activities. This waiver does not include team or other association support duties (e.g., tournament duties). Fundraising activities will be determined by the Executive and Fundraising Coordinator each season.

All association equipment is to be returned at the end of the season in good condition, or reimbursements paid to the association for replacement costs.
