Safety Person / Charge Person

Charge Person #1:

Charge Person #2:

Charge Person #3:

- Initially takes control of the situation.
- Instructs player to lay still and bystanders, such as other players, not to move player.
- Assess injury status of player; decide if an ambulance/medical care is required.
- If the injury is serious and warrants immediate attention that you are not qualified to provide, make your predetermined signal to your control person and if you have one, your pre-determined first aid/medical person
- Makes 911 call when emergency assistance required (test cell phone inside to ensure it will work).

Control Person

Control Person #1:

Control Person #2:

Control Person #3:

- Pre-determine the location of the AED and other emergency equipment in the facility.
- Retrieving the AED and/or first aid kit and bringing to the injured player if requested.
- Seek highly-trained medical personnel in the facility if requested by the Charge Person.
- Ensure teammates, other participants and spectators are not in the way of the charge person.
- Advise opponents, on-ice officials, arena staff and parents of the steps being taken.
- Ensure the quickest and best route for the FIRE / EHS crew to the ice surface is clear and accessible.
- Meet the FIRE/ EHS on its arrival and direct them to the injured player.

Remaining Bench Staff/Coaches :

- Remove and stay with remaining athletes

Ambulance can access through:

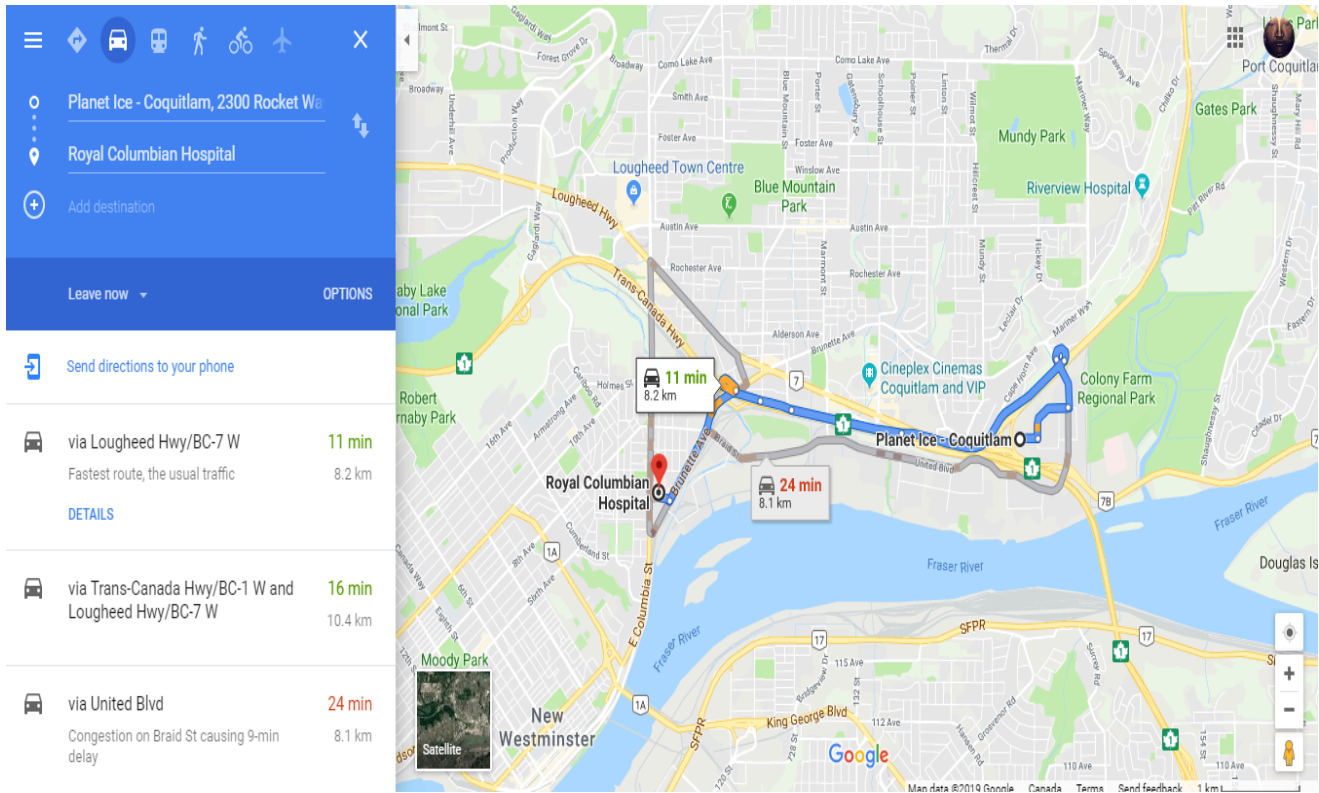

Main entrance eastside of building – glass main doors.

Optional entrances: fire exits along driveway on westside of arena for Rink 1 (northwest) and Rink 4 (southwest). Fire exists along eastside of arena for Rink 2 (northeast) and Rink 3 (southeast).
